MATERIAL FACT

Oi S.A. – In Judicial Reorganization (“Oi” or the “Company”), pursuant to Section 4.3.3.6 of Judicial Reorganization Plan of Oi and its subsidiaries approved in the General Creditors Meeting and confirmed by the Judicial Reorganization Court (the “Plan”), and in accordance with the provisions set forth in article 157, paragraph 4 of Law No. 6,404/76 and with CVM Instruction No. 358/02, hereby informs its shareholders and the market in general that, on this date, the Company announced that the holders of the warrants (the “Warrants”) issued by the Company in connection with the capital increase by means of Capitalization of Unsecured Credits of Qualified Bondholders, which was approved and confirmed by its Board of Directors (the “Board”) on March 5, 2018 and July 20, 2018, respectively, will be able to exercise the right conferred to them by the Warrants to subscribe for common shares of the Company (“Common Shares”) during the period commencing on October 3, 2018 and ending on January 2, 2019 (the “Exercise Period”).

The exercise price of each Warrant is R\$ 0.039505, calculated based on the quoted value fixed for sale of U.S. Dollars by the Central Bank of Brazil, in the section “Quotations and Bulletins”, option “Closing prices of all currencies on a date”, on its website, as of October 2, 2018.

As a result, in accordance with the terms of the Deposit Agreement for Warrants, dated June 25, 2018 (the “ADW Deposit Agreement”), under which the American Depositary Warrants (“ADWs”) representing Warrants were issued, holders of ADWs may exercise their ADWs during the Exercise Period set forth above, subject to specific Exercise Cutoff Dates described below.

ADW holders may instruct The Bank of New York Mellon, as depositary under the ADW Deposit Agreement, to exercise to the Warrants underlying the ADWs in the following periods:

- (i) from October 3, 2018 through October 18, 2018, with October 18, 2018 being the “First ADW Exercise Cutoff Date”;
- (ii) from October 19, 2018 through November 27, 2018, with November 27, 2018 being the “Second ADW Exercise Cutoff Date”; and
- (iii) from November 28, 2018 through December 26, 2018, with December 26, 2018 being the “Third ADW Exercise Cutoff Date”.

Holders of ADWs cannot exercise the Warrants underlying the ADWs after the Third Exercise Cutoff Date.

The Board will meet on three different dates to verify the number of Warrants which were exercised by their holders, including Warrants underlying the ADWs exercised by their holders on or prior to the above specified Exercise Cutoff Dates, and confirm the Common Shares that will be issued in connection with the exercise. The dates the Board will meet are as follows:

- (i) on October 26, 2018, the Board will verify the number of Warrants which were exercised by their holders on or prior to October 24, 2018, including Warrants underlying ADWs which were exercised on or prior to the First ADW Exercise Cutoff Date, and will confirm the Common Shares that will be issued in connection with such Warrants;
- (ii) on December 5, 2018, the Board will verify the number of Warrants which were exercised by their holders on or prior to December 3, 2018, including Warrants underlying ADWs which were exercised on or prior to the Second ADW Exercise Cutoff Date, and will confirm the Common Shares that will be issued in connection with such Warrants; and
- (iii) on January 4, 2019, the Board will verify the number of Warrants which were exercised by their holders on or prior to January 2, 2019, including Warrants underlying ADWs which were exercised on or prior to the Third ADW Cutoff Date, and will confirm the Common Shares that will be issued in connection with such Warrants.

Any and all exercises of ADWs must be entered by a DTC participant holding ADWs in its DTC account and must be entered through DTC's automated system prior to

DTC's instruction cutoff time on the relevant ADW Cutoff Date. A beneficial holder of ADWs that is not a DTC participant and desires to exercise ADWs held by a custodial entity such as a bank, broker, dealer, trust company or other nominee must instruct such custodial entity [pursuant to the procedures of the custodial entity] to exercise its ADWs through DTC's automated system prior to DTC's instruction cutoff time on the relevant ADW Cutoff Date. Please note that the deadline for a holder to instruct its custodial entity [pursuant to the procedures of the custodial entity] will be earlier than the ADW Cutoff Dates. **Holders of ADWs are strongly encouraged to contact the custodial entity through which they hold beneficial interests in ADWs to confirm the deadlines applicable to such holders.**

The account of each participant exercising ADWs will be charged the ADW Deposit Amount of \$0.06 per ADW (the "Deposit Amount"). The ADW Depository will, as soon as practicable, after the relevant ADW Exercise Cutoff Date, (i) cancel the surrendered ADWs, (ii) from the Deposit Amount, purchase Brazilian *reais* equal to the exercise price for the number of Warrants represented by the ADWs surrendered by the owner of the ADWs and return any surplus U.S. dollar amount to the exercising holder, (iii) pay the Brazilian *reais* exercise price to its custodian and instruct it to exercise the number of Warrants represented by those ADWs, deposit the Common Shares received in respect of that exercise under the deposit agreement for Common Shares and instruct the depository under the deposit agreement for Common Shares to deliver American Depositary Shares ("ADSs") representing Common Shares to the ADW Depository, and (iv) upon receipt of those ADSs, deliver those ADSs to holders. The new ADSs are expected to be issued to holders and reflected in the DTC participant accounts on October 30, 2018, December 7, 2018 and January 8, 2019.

The Company expects that the record date for determining the ADSs, each representing five Common Shares, eligible to participate in the anticipated Rights Offering will be in mid-November 2018. This means that only those ADW holders that exercise their ADWs on or prior to the First ADW Exercise Cutoff Date of October 18, 2018 will hold new ADSs in time to participate in the anticipated Rights Offering in respect of new ADSs. ADW holders that exercise on or prior to the Second or Third ADW Exercise Cutoff Dates will still receive new ADSs, but will not be able to participate in the anticipated Rights Offering in respect of those new ADSs.

The Company will keep its shareholders and the market informed about the development of the subject matter of this Material Fact.

The proposed Rights Offering will be made only by means of a prospectus. A copy of the prospectus, when available, may be obtained from:
