MATERIAL FACT

Oi S.A. – In Judicial Reorganization (“Oi” or the “Company”), in accordance with Article 157, Paragraph 4, of Law No. 6,404/76 and the provisions of CVM Instruction No. 358/02 and further to the Material Fact dated December 6, 2019, which set forth the circumstances giving rise to the need to extend the judicial reorganization so that the Company may continue with its investment and uplift plan, hereby informs its shareholders and the market in general that, on February 27, 2020, the Company, together with its subsidiaries in judicial reorganization (together, the “Oi Companies”), filed a petition with the 7th Corporate Court of Rio de Janeiro explaining its interest in submitting for deliberation of the creditors, in a new General Creditors’ Meeting (the “GCM”), an amendment to the ratified Judicial Reorganization Plan (the “RJ Plan”), aimed at achieving greater operational and financial flexibility to continue its project of investment and compliance with its strategic transformation plan (the “Strategic Plan”), both already widely disclosed to the market.

The Company's strategy involves reorganizing its operations in order to make its corporate structure more efficient and create strategic opportunities to raise capital and strengthen Oi in line with its Strategic Plan, which is being implemented with transparency.

Oi reaffirms its commitment in the execution of its Strategic Plan with a focus on the expansion of fiber optics in Brazil and on businesses with higher added-value and with a growth trend and forward thinking. This movement is already beginning to yield positive results in the Company’s operational and financial indicators and will be accelerated beginning in 2020, reaching consolidation in 2021.

Under clause 11.8 of the RJ Plan, the creditors that would be entitled to vote in a new GCM will only consist of those who held credits and had voting rights as creditors at the

time of the General Creditors' Meeting held on December, 19 and 20, 2017 and who still maintained an interest in the Company and/or other Oi Company at the close of the market on February 27, 2020 as a result of their being creditors of any of the Oi Companies, including holders of Oi's outstanding 10.000%/12.000% Senior PIK Toggle Notes due 2025, or as a result of their owning shares of Oi, including shares of Oi represented by American Depositary Shares.

The Company will keep its shareholders and the market informed of the development of the subject matter of this Material Fact.
